Participants

All members of the German Bowling Federation (-Light) and all members of the ETBF are allowed to start. It may participate Bowlers of a maximum of four nations. Applications from other nations must be rejected.

Disciplines

Double and single competition with a handicap rating. Women men and mixed doubles are in one rating. Multiple starts are possible, only the highest score counts. Only one final participation for every participant.

Rating

Doubles :

Preliminary: six games; american play, the best 14 doubles qualify for the final.

Final: Seven games american play, all doubles play against each other. After each round the last two doubles will be eliminated. The pins from the preliminary will not count in the final.

Singles:

In addition to the double competition it is possible to register for the single rating. 10.00 € per start and per participant and the results, incl. Handicap, will get in the rating.

Registration for the single competition has to be submitted at the management of the tournament before you start bowling. Only the highest score counts.

If two Bowlers got the same results, the higher score without handicap counts. If this is the same too, it will be decided by the smaller difference the highest and the lowest game.
